

CITY OF BILLINGS

BILLINGS LOGAN INTERNATIONAL AIRPORT

**AIRPORT CONCESSION
DISADVANTAGED BUSINESS ENTERPRISE
(ACDBE) PROGRAM
49 CFR Part 23**

NOVEMBER 2019

POLICY STATEMENT

Section 23.1, 23.23

Objectives/Policy Statement

The Billings Logan International Airport (hereinafter referred to as "Airport") has established an Airport Concession Disadvantaged Business Enterprise (ACDBE) program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 23. The Airport is a primary airport and has received Federal funds authorized for airport development after January 1988 (authorized under Title 49 of the United States Code). The Airport has signed airport grant assurances that it will comply with 49 CFR Part 23.

It is the policy of the Airport to ensure that ACDBEs as defined in Part 23, have an equal opportunity to receive and participate in concession opportunities. It is also our policy:

1. To ensure nondiscrimination in the award and administration of opportunities for concessions by airports receiving DOT financial assistance.
2. To create a level playing field on which ACDBEs can compete fairly for opportunities for concessions.
3. To ensure that our ACDBE program is narrowly tailored in accordance with applicable law.
4. To ensure that only firms that fully meet this part's eligibility standards are permitted to participate as ACDBEs at the Airport.
5. To help remove barriers to the participation of ACDBEs in opportunities for concessions at the Airport.
6. To provide appropriate flexibility to the Airport in establishing and providing opportunities for ACDBEs.

Shane Ketterling has been designated as the ACDBE Liaison Officer (ACDBELO). In that capacity, Mr. Ketterling is responsible for implementing all aspects of the ACDBE program. Implementation of the ACDBE program is accorded the same priority as compliance with all other legal obligations incurred by the Airport in its financial assistance agreements with the Department of Transportation.

The Airport has disseminated this policy statement to the City of Billings and all of the components of our organization. We have distributed this statement to ACDBE and non-ACDBE concessionaire communities in our area by posting to the Airport's website.

SUBPART A – GENERAL REQUIREMENTS

Section 23.1 Objectives

The objectives are found in the policy statement on the first page of this program.

Section 23.3 Definitions

The Airport will use terms in this program that have the meaning defined in Section 23.3 and Part 26 Section 26.5 where applicable.

Section 23.5 Applicability

The Airport is a primary airport and the sponsor of Federal airport funds authorized for airport development after January 1988 that was authorized under Title 49 of the United States Code.

Section 23.9 Nondiscrimination Requirements

The Airport will never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any concession agreement, management contract or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23 on the basis of race, color, sex, or national origin.

In administering its ACDBE program, the Airport will not, directly or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the ACDBE program with respect to individuals of a particular race, color, sex, or national origin.

The Airport acknowledges these representations are also in accordance with obligations contained in its Civil Rights, DBE and ACDBE Airport grant assurances.

The Airport will include the following assurances in all concession agreements and management contracts it executes with any firm:

1. "This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23.
2. "The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23, that it enters and cause those businesses to similarly include the statements in further agreements."

Section 23.11 Compliance and Enforcement

The Airport will comply with and is subject to the provisions of 49 CFR Part 26 (§§ 26.101, 26.105, 26.107 and 2 CFR Parts 180 and 1200.

The Airport will comply with this part or be subject to formal enforcement action under §26.105 or appropriate program sanctions, such as the suspension or termination of Federal funds, or refusal to approve projects, grants or contracts until deficiencies are remedied. Program sanctions may include actions consistent with 49 U.S.C. §§ 47106(d), 47111(d), and 47122.

2 CFR Part 180, Government wide Debarment and Suspension (non-procurement), effective November 15, 2006, adopted and supplemented by DOT at 2 CFR Part 1200, effective June 2, 2008, provides Office of Management and Budget (OMB) guidance for Federal agencies on the government wide debarment and suspension system for non-procurement transactions, programs and activities. 2 CFR Part 1200 adopts the OMB guidance in subparts A through I of 2 CFR Part 180, as supplemented by Part 1200, as the Department of Transportation policies and procedures for non-procurement suspension and debarment.

The Airport's compliance with all requirements of this part is enforced through the procedures of Title 49 of the United States Code, including 49 U.S.C. 47106(d), 47111(d), and 47122, and regulations implementing them.

The following enforcement actions apply to firms participating in the Airport's ACDBE program:

1. For a firm that does not meet the eligibility criteria of subpart D of this part and that attempts to participate as an ACDBE on the basis of false, fraudulent, or deceitful statements or representations or under circumstances indicating a serious lack of business integrity or honesty, the Department of Transportation (DOT) or the Federal Aviation Administration (FAA) may initiate suspension or debarment proceedings against the firm under 2 CFR Parts 180 and 1200.
2. For a firm that, in order to meet ACDBE goals or other ACDBE program requirements, uses or attempts to use, on the basis of false, fraudulent or deceitful statements or representations or under circumstances indicating a serious lack of business integrity or honesty, another firm that does not meet the eligibility criteria of subpart D of this part, DOT or FAA may initiate suspension or debarment proceedings against the firm under 2 CFR Parts 180 and 1200.
3. DOT may take enforcement action under 49 CFR Part 31, Program Fraud and Civil Remedies, against any participant in the ACDBE program whose conduct is subject to such action under 49 CFR Part 31.
4. DOT may refer to the Department of Justice, for prosecution under 18 U.S.C. §§ 1001 or other applicable provisions of law, any person who makes a false or fraudulent statement in connection with participation of an ACDBE in the Airport's ACDBE program or otherwise violates applicable Federal statutes.

Compliance reviews: The FAA may review the Airport's compliance with this part at any time, including but not limited to, reviews of paperwork, on-site reviews, and review of the airport sponsor's monitoring and enforcement mechanism, as appropriate. The FAA Office of Civil Rights may initiate a compliance review based on complaints received.

Any person who knows of a violation of this part by the Airport may file a complaint under 14 CFR Part 16 with the Federal Aviation Administration Office of Chief Counsel.

SUBPART B – ACDBE PROGRAMS

Section 23.21 ACDBE Program Updates

The Airport is a non-hub primary airport required to have an ACDBE program.

As a condition of eligibility for FAA financial assistance, the Airport will submit its ACDBE program and overall goals to FAA according to 23.45(a) of this section.

Until the Airport's new ACDBE program is submitted and approved, we will continue to implement our ACDBE program that was in effect previously, except with respect to any provision that is contrary to 49 CFR Part 23.

This ACDBE program will be implemented at the Billings Logan International Airport.

Although this program document applies to the above Airport, as required by 23.21(c), we have established separate ACDBE goals for each primary airport (Attachments 4 and 5).

When the Airport makes significant changes to its ACDBE program, we will provide the amended program to the FAA for approval prior to implementing the changes.

Section 23.23 Administrative Provisions

Policy Statement: The Airport is committed to operating its ACDBE program in a nondiscriminatory manner.

The Airport's Policy Statement is elaborated on the first page of this program.

ACDBE Liaison Officer (ACDBELO): We have designated the following individual as our ACDBELO:

Shane Ketterling
Billings Logan International Airport
1901 Terminal Circle, Room 216
Billings, MT 59105
(406) 657-8339
ketterlings@billingsmt.gov

In that capacity, the ACDBELO is responsible for implementing all aspects of the ACDBE program and ensuring that the Airport complies with all provision of 49 CFR Part 23. The ACDBELO has direct, independent access to the Director of Aviation and Transit concerning ACDBE program matters. An organizational chart displaying the ACDBELO's position in the organization is found in Attachment 1 to this program.

The ACDBELO is responsible for developing, implementing and monitoring the ACDBE program, in coordination with other appropriate officials. The ACDBELO has their consultant airport engineer to assist in the administration of the program. The duties and responsibilities include the following:

1. Gathers and reports statistical data and other information as required by FAA or DOT.

2. Reviews third party contracts and purchase requisitions for compliance with this program.
3. Works with all departments to set overall annual goals.
4. Ensures that bid notices and requests for proposals are available to ACDBEs in a timely manner.
5. Identifies contracts and procurements so that ACDBE goals are included in solicitations (both race-neutral methods and contract specific goals)
6. Analyzes Airport's progress toward attainment and identifies ways to improve progress.
7. Participates in pre-bid meetings.
8. Advises the CEO/governing body on ACDBE matters and achievement.
9. Chairs the ACDBE Advisory Committee.
10. Provides ACDBEs with information and assistance in preparing bids, obtaining bonding, financing, and insurance; acts as a liaison to the OSDBU Minority Resource Center (MRC).
11. Plans and participates in ACDBE training seminars.
12. Acts as liaison to the Unified Certification Program (UCP) in the state of Montana.
13. Provides outreach to ACDBEs and community organizations to advise them of opportunities.
14. Maintains the Airport's updated directory on certified ACDBEs and distinguishes them from DBEs.

Directory: The Airport through the Montana Unified Certification Program (UCP), maintains a directory identifying all firms eligible to participate as DBEs and ACDBEs. The Directory lists the firm's name, address, phone number, date of the most recent certification, and the type of work the firm has been certified to perform as an ACDBE.

The UCP will ensure that the Directory lists each type of work for which a firm is eligible to be certified by using the most specific NAICS code available to describe each type of work. The UCP will make any changes to the current directory entries necessary to meet the requirements of this paragraph.

The UCP revises the Directory annually. We make the Directory available upon request, or it may be found at the following website:

<https://app.mdt.mt.gov/dbe/dbe/search>

Section 23.25 Ensuring Nondiscriminatory Participation of ACDBEs

The Airport will take the following measures to ensure nondiscriminatory participation of ACDBEs in concessions, and other covered activities (23.25(a)).

The Airport will seek ACDBE participation in all types of concession activities, rather than concentrating participation in one category or a few categories to the exclusion of others. (23.25(c))

The Airport's overall goal methodology and a description of the race-neutral measures it will use to meet the goals are described in Section 23.25 and Attachment 4 of this plan. The goals are set consistent with the requirements of Subpart D. (23.25(b), (d))

If the Airport projects that race-neutral measures alone, are not sufficient to meet an overall goal, it will use race-conscious measures as described in Section 23.25 (e) (1-2) and Attachment 4 and 5 of this plan. (23.25(e))

The Airport will require businesses subject to ACDBE goals at the airport (except car rental companies) to make good faith efforts to explore all available options to meet goals, to the maximum extent practicable, through direct ownership arrangements with ACDBEs. (23.25(f))

The Airport will not use set-asides or quotas as a means of obtaining ACDBE participation. (23.25(g)).

Section 23.27 Reporting

We will retain sufficient basic information about our ACDBE program implementation, ACDBE certification and the award and performance of agreements and contracts to enable the FAA to determine our compliance with Part 23. This data will be retained for a minimum of three years following the end of the concession agreement or other covered contract.

Beginning March 1, 2006, we will submit to the FAA Regional Civil Rights Office, an annual ACDBE participation report on the form in Appendix A of Part 23.

Section 23.29 Compliance and Enforcement Procedures

The Airport will take the following monitoring and enforcement mechanisms to ensure compliance with 49 CFR Part 23.

1. We will bring to the attention of the Department of Transportation any false, fraudulent, or dishonest conduct in connection with the program, so that DOT can take the steps (e.g., referral to the Department of Justice for criminal prosecution, referral to the DOT Inspector General, action under suspension and debarment or Program Fraud and Civil Penalties rules) provided in 26.107.
2. We will consider similar action under our own legal authorities, including responsibility determinations in future contracts. We have listed the regulations, provisions, and contract remedies available to us in the events of non-compliance with the ACDBE regulation by a participant in our procurement activities (See Attachment 3). (26.37)

SUBPART C – CERTIFICATION AND ELIGIBILITY

Section 23.31 Certification

We will use the procedures and standards of Part 26, except as provided in 23.31, for certification of ACDBEs to participate in our concessions program and such standards are incorporated herein.

The Airport is the member of a Unified Certification Program (UCP) administered by the State of Montana. The UCP will meet all of the requirements of this section.

The UCP's directory of eligible DBEs specifies whether a firm is certified as a DBE for purposes of Part 26, and ACDBE for purposes of Part 23, or both.

Prior to entering into a new contract, extension, or option with a currently certified ACDBE, we will review their eligibility at that time (i.e., "as soon as possible") rather than waiting until the latest

date allowed under Part 23. Our schedule for this review process will be at least 30 days prior to the expiration date on the contract.

We will treat a firm as a small business eligible to be certified as an ACDBE if its gross receipts, averaged over the firm's previous three fiscal years do not exceed \$56.42 million for non-car rental ACDBEs and \$75.23 million for car rental ACDBEs. The size standard for banks and other financial institutions is \$1 billion in assets, for pay telephone company's is 1,500 employees, and for ACDBE automobile dealers is 350 employees.

Section 23.35 Eligibility

The personal net worth standard used in determining eligibility for purposes of Part 23 is \$1.32 million.

The Airport recognizes that personal net worth means the net value of the assets of an individual remaining after total liabilities are deducted. An individual's personal net worth (PNW) does not include the following:

1. The individual's ownership interest in an ACDBE firm or a firm that is applying for ACDBE certification;
2. The individual's equity in his or her primary place of residence; and
3. Other assets that the individual can document are necessary to obtain financing or a franchise agreement for the initiation or expansion of his or her ACDBE firm (or have in fact been encumbered to support existing financing for the individual's ACDBE business) to a maximum of \$3 million.

The effectiveness of this paragraph (3) of this definition is suspended with respect to any application for ACDBE certification made or any financing or franchise agreement obtained after June 20, 2012. (23.3)

An individual's personal net worth includes only his or her own share of assets held jointly or as community property with the individual's spouse.

Any person who has a personal net worth exceeding this amount is not a socially and economically disadvantaged individual, even if a member of a group otherwise presumed to be disadvantaged. (See 23.3 - Personal Net Worth definition and 23.35)

We will presume that a firm that is certified as a DBE under Part 26 is eligible to participate as an ACDBE. However, before certifying such a firm, we will ensure that the disadvantaged owners of a DBE certified under Part 26 are able to control the firm with respect to its activity in our concessions program. We are not obligated to certify a Part 26 DBE as an ACDBE if the firm does not perform work relevant to our concessions program. (23.37).

We recognize that the provisions of Part 26, sections 26.83(c) (2-6) do not apply to certifications for purposes of Part 23. We will follow the provisions of 23.39 (a) through (i). We will obtain resumes or work histories of the principal owners of the firm and personally interview these individuals. We will analyze the ownership of stock of the firm, if it is a corporation. We will analyze the bonding and financial capacity of the firm. We will determine the work history of the firm, including any concession contracts or other contracts it may have received. We will compile a list of the licenses of the firm and its key personnel to perform the concession contracts or other contracts it wishes to receive. We will obtain a statement from the firm of the types of concessions

it prefers to operate or the type of other contracts it prefers to perform. We will ensure that the ACDBE firm meets the applicable size standard. (23.39(a)(b)).

We acknowledge that a prime contractor includes a firm holding a prime contract with an airport concessionaire to provide goods or services to the concessionaire or a firm holding a prime concession agreement with a recipient. We recognize that the eligibility of Alaska Native Corporations (ANC) owned firms for purposes of Part 23 is governed by Part 26 section 26.73(h). (23.39(c)(d)).

We will use the certification standards of Part 23 to determine the ACDBE eligibility of firms that provide goods and services to concessionaires. (23.39(i))

In instances when the eligibility of a concessionaire is removed after the concessionaire has entered into a concession agreement because the firm exceeded the size standard or the owner has exceeded the PNW standard, and the firm in all other respects remains an eligible DBE, we may continue to count the concessionaire's participation toward ACDBE goals during the remainder of the current concession agreement. We will not count the concessionaire's participation toward ACDBE goals beyond the termination date for the concession agreement in effect at the time of the decertification. (23.39(e))

We will use the Uniform Application Form found in appendix F to Part 26 with additional instruction as stated in 23.39(g).

Section 26.83 Procedures for Certification Decisions – Not Applicable

Section 26.85 Interstate Certification – Not Applicable

Section 26.86 Denials of Initial Requests for Certification – Not Applicable

Section 26.87 Removal of a DBE's Eligibility – Not Applicable

Section 26.89 Certification Appeals – Not Applicable

SUBPART D – GOALS, GOOD FAITH EFFORTS, AND COUNTING

Section 23.41 Basic Overall Goal Requirement

The Airport will establish two separate overall ACDBE goals; one for car rentals and another for concessions other than car rentals. The overall goals will cover a three-year period and the sponsor will review the goals annually to make sure the goal continues to fit the sponsor's circumstances. We will report any significant overall goal adjustments to the FAA.

If the average annual concession revenues for car rentals over the preceding three years do not exceed \$200,000, we need not submit an overall goal for car rentals. Likewise, if the average annual concession revenues for concessions other than car rentals over the preceding three years do not exceed \$200,000, we need not submit an overall goal for concessions other than car rentals. We understand that "revenue" means total revenue generated by concessions, not the fees received by the airport from concessionaires.

The Airport's overall goals will provide for participation by all certified ACDBEs and will not be subdivided into group specific goals.

Section 23.43 Consultation in Goal Setting

The Airport consults with stakeholders before submitting the overall goals to the FAA. Stakeholders will include, but not be limited to, minority and women's business groups, community organizations, trade associations representing concessionaires currently located at the airport, as well as existing concessionaires themselves, and other officials or organizations which could be expected to have information concerning the availability of disadvantaged businesses, the effects of discrimination on opportunities for ACDBEs, and the sponsors efforts to increase participation of ACDBEs.

When submitting our overall goals, we will identify the stakeholders that we consulted with and provide a summary of the information obtained from the stakeholders.

Section 23.45 Overall Goals

The Airport is a non-hub primary airport. As a condition of eligibility for FAA financial assistance, the Airport will submit its overall goals according to the following schedule:

Primary Airport Size	Region	Date Due	Period Covered	Next Goal Due
Large/Medium Hubs	All Regions	October 1, 2017	2018/2019/2020	October 1, 2020 (2021/2022/2023)
Small Hubs	All Regions	October 1, 2018	2019/2020/2021	October 1, 2021 (2022/2023/2024)
Non-Hubs	All Regions	October 1, 2019	2020/2021/2022	October 1, 2022 (2023/2024/2025)

If a new concession opportunity arises at a time that falls between the normal submission dates above and the estimated average of annual gross revenues are anticipated to be \$200,000 or greater, the sponsor will submit an appropriate adjustment to our overall goal to FAA for approval no later than 90 days before issuing the solicitation for the new concession opportunity. (23.45i)

The sponsor will establish overall goals in accordance with the 2-Step process as specified in section 23.51. After determining the total gross receipts for the concession activity, the first step is to determine the relative availability of ACDBEs in the market area, "base figure." The second step is to examine all relevant evidence reasonably available in the sponsor's jurisdiction to determine if an adjustment to the Step 1 "base figure" is necessary so that the goal reflects as accurately as possible the ACDBE participation the sponsor would expect in the absence of discrimination. Evidence may include, but is not limited to past participation by ACDBEs, a disparity study, evidence from related fields that affect ACDBE opportunities to form, grow, and compete (such as statistical disparities in ability to get required financing, bonding, insurance; or data on employment, self-employment, education, training and union apprenticeship)

The sponsor will arrange solicitations, times for the presentation of bids, quantities, specifications, and delivery schedules in ways that facilitate participation by ACDBEs and other small businesses and by making contracts more accessible to small businesses, by means such as those provided under § 26.39 of this part.

A description of the methodology to calculate the overall goal for car rentals, the goal calculations, and the data we relied on can be found in Attachment 5 to this program.

A description of the methodology to calculate the overall goal for concessions other than car rentals, the goal calculations, and the data we relied on can be found in Attachment 4 to this program.

Projection of Estimated Race-Neutral & Race-Conscious Participation (23.45(f), 23.25(d-e))

The breakout of estimated race-neutral and race-conscious participation can be found with the goal methodology in Attachments 4 and 5 to this program. This section of the program will be reviewed annually when the goal calculation is reviewed under 23.41(c).

Concession Specific Goals (23.25 (c)(e)(1)(iv))

The Airport will use concession specific goals to meet any portion of the overall goals it does not project being able to meet using race-neutral means. Concession specific goals are established so that, over the period to which the overall goals apply, they will cumulatively result in meeting any portion of our overall goal that is not projected to be met through the use of race-neutral means.

We will establish concession specific goals only on those concessions that have direct ownership arrangements (except car rentals), sublease, or subcontracting possibilities. We will require businesses subject to ACDBE goals at the airport (except car rental companies) to make good faith efforts to explore all available options to meet goals, to the maximum extent practicable, through direct ownership arrangements with DBEs (23.25 (f)). Car rental firms are not required to change their corporate structure to provide for direct ownership arrangements. In the case of a car rental goal, where it appears that all or most of the goal is likely to be met through the purchases by car rental companies of vehicles or other goods or services from ACDBEs, one permissible alternative is to structure the goal entirely in terms of purchases of goods and services.)

We need not establish a concession specific goal on every such concession, and the size of concession specific goals will be adapted to the circumstances of each such concession (e.g., type and location of concession, availability of ACDBEs.)

If the objective of a concession specific goal is to obtain ACDBE participation through direct ownership with an ACDBE, the Airport will calculate the goal as a percentage of the total estimated annual gross receipts from the concession. (23.25(e)(1)(i))

If the concession specific goal applies to purchases and/or leases of goods and services, the Airport will calculate the goal by dividing the estimated dollar value of such purchases and/or leases from ACDBEs by the total estimated dollar value of all purchases to be made by the concessionaire. (23.25(e)(1)(ii))

Good Faith Efforts on Concession Specific Goals (23.25(e)(1)(iii), (iv))

To be eligible to be awarded a concession that has a concession specific goal, bidders/offers must make good faith efforts to meet the goal. A bidder/offeror may do so either by obtaining enough ACDBE participation to meet the goal or by documenting that it made sufficient good faith efforts to do so. (23.25(e)(1)(iv)). Examples of good faith efforts are found in Appendix A to 49 CFR Part 26. The procedures applicable to 49 CFR Sections 26.51 and 26.53, regarding contract goals apply to the Airport's concession specific goals. Specifically:

Section 26.53 Good Faith Efforts Procedures

Demonstration of Good Faith Efforts (26.53(a) & (c))

The obligation of the bidder/offeror is to make good faith efforts. The bidder/offeror can demonstrate that it has done so either by meeting the contract goal or documenting good faith efforts. Examples of good faith efforts are found in Appendix A to Part 26.

Shane Ketterling, ACDBELO/Assistant Director of Aviation and Transit, is responsible for determining whether a bidder/offeror who has not met the contract goal has documented sufficient good faith efforts to be regarded as responsive.

We will ensure that all information is complete and accurate and adequately documents the bidder/offeror's good faith efforts before we commit to the performance of the contract by the bidder/offeror.

Information to be Submitted (26.53(b))

In our solicitations for concession contracts for which a contract goal has been established, we will require the following:

- (1) Award of the contract will be conditioned on meeting the requirements of this section;
- (2) All bidders or offerors will be required to submit the following information to the recipient, at the time provided in paragraph (b)(3) of this section:
 - (i) The names and addresses of ACDBE firms that will participate in the contract;
 - (ii) A description of the work that each ACDBE will perform. To count toward meeting a goal, each ACDBE firm must be certified in a NAICS code applicable to the kind of work the firm would perform on the contract;
 - (iii) The dollar amount of the participation of each ACDBE firm participating;
 - (iv) Written documentation of the bidder/offeror's commitment to use an ACDBE sub-concession whose participation it submits to meet a contract goal; and
 - (v) Written confirmation from each listed ACDBE firm that it is participating in the contract in the kind and amount of work provided in the prime concessionaire's commitment.
 - (vi) If the contract goal is not met, evidence of good faith efforts (see Appendix A of this part). The documentation of good faith efforts must include copies of each ACDBE and non-ACDBE sub-concession quote submitted to the bidder when a non-ACDBE sub-concession was selected over an ACDBE for work on the contract; and
- (3) We will require that the bidder/offeror present the information required by paragraph (b)(2) of this section:

Under sealed bid procedures, as a matter of **responsiveness**, or with initial proposals, under contract negotiation procedures.

Provided that, in a negotiated procurement, including a design-build procurement, the bidder/offeror may make a contractually binding commitment to meet the goal at the time of bid submission or the presentation of initial proposals but provide the information required by paragraph (b)(2) of this section before the final selection for the contract is made by the recipient.

Administrative Reconsideration (26.53(d))

Within seven business days of being informed by Airport that it is not responsive because it has not documented sufficient good faith efforts, a bidder/offeror may request administrative reconsideration. Bidder/offerors should make this request in writing to the following reconsideration official:

Kevin Ploehn
Billings Logan International Airport
1901 Terminal Circle, Room 216
Billings, MT 59105
(406) 657-8484
ploehnk@billingsmt.gov

The reconsideration official will not have played any role in the original determination that the bidder/offeror did not document sufficient good faith efforts.

As part of this reconsideration, the bidder/offeror will have the opportunity to provide written documentation or argument concerning the issue of whether it met the goal or made adequate good faith efforts to do so. The bidder/offeror will have the opportunity to meet in person with our reconsideration official to discuss the issue of whether it met the goal or made adequate good faith efforts to do so. We will send the bidder/offeror a written decision on reconsideration, explaining the basis for finding that the bidder did or did not meet the goal or make adequate good faith efforts to do so. The result of the reconsideration process is not administratively appealable to the Department of Transportation.

Good Faith Efforts When an ACDBE Is Replaced On a Concession (26.53(F))

The Airport will require a concessionaire to make good faith efforts to replace an ACDBE that is terminated or has otherwise failed to complete its concession agreement, lease, or subcontract with another certified ACDBE, to the extent needed to meet the concession specific goal. We will require the concessionaire to notify the ACDBELO immediately of the ACDBEs inability or unwillingness to perform and provide reasonable documentation.

In this situation, we will require the concessionaire to obtain our prior approval of the substitute ACDBE and to provide copies of new or amended subcontracts, or documentation of good faith efforts.

We will provide such written consent only if we agree, for reasons stated in our concurrence document, that the prime concession has good cause to terminate the ACDBE firm. For purposes of this paragraph, good cause includes the following circumstances:

1. The listed ACDBE sub-concession fails or refuses to execute a written contract.
2. The listed ACDBE sub-concession fails or refuses to perform the work of its sub-concession in a way consistent with normal industry standards. Provided however, that good cause does not exist if the failure or refusal of the ACDBE sub-concession to perform its work on the sub-concession results from the bad faith or discriminatory action of the prime contractor.

3. The listed ACDBE sub-concession fails or refuses to meet the prime concession's reasonable, nondiscriminatory bond requirements.
4. The listed ACDBE sub-concession becomes bankrupt, insolvent, or exhibits credit unworthiness.
5. The listed ACDBE sub-concession is ineligible to work on public works projects because of suspension and debarment proceedings pursuant to 2 CFR Parts 180, 215 and 1,200 or applicable state law.
6. We have determined that the listed ACDBE subcontractor is not responsible.
7. The listed ACDBE sub-concession voluntarily withdraws from the project and provides to us written notice of its withdrawal.
8. The listed ACDBE is ineligible to receive ACDBE credit for the type of work required.
9. An ACDBE owner dies or becomes disabled with the result that the listed ACDBE concession is unable to complete its work on the contract.
10. Other documented good cause that we have determined compels the termination of the ACDBE sub-concession. Provided, that good cause does not exist if the prime concession seeks to terminate an ACDBE it relied upon to obtain the contract so that the prime concession can self perform the work for which the ACDBE concession was engaged or so that the prime contractor can substitute another ACDBE or non-ACDBE concession after contract award.

Before transmitting to us its request to terminate and/or substitute an ACDBE sub-concession, the prime concession must give notice in writing to the ACDBE sub-concession, with a copy to us, of its intent to request to terminate and/or substitute, and the reason for the request.

The prime concession must give the ACDBE five days to respond to the prime concession's notice and advise us and the concessionaire of the reasons, if any, why it objects to the proposed termination of its sub-concession and why we should not approve the prime concession's action. If required in a particular case as a matter of public necessity (e.g., safety), we may provide a response period shorter than five days.

The Airport will require a concessionaire to make good faith efforts to replace an ACDBE that is terminated or has otherwise failed to complete its work on a concession with another certified ACDBE. These good faith efforts shall be directed at finding another ACDBE to perform at least the same amount of work under the concession contract as the ACDBE that was terminated, to the extent needed to meet the concession contract goal that we established for the procurement. The good faith efforts shall be documented by the concessionaire. If we request documentation from the concessionaire under this provision, the concessionaire shall submit the documentation to us within seven days, which may be extended for an additional seven days if necessary at the request of the concessionaire, and the Airport shall provide a written determination to the concessionaire stating whether or not good faith efforts have been demonstrated.

We will include in each prime concession contract the contract clause required by § 26.13(b) stating that failure by the concessionaire to carry out the requirements of this part is a material breach of the contract and may result in the termination of the concession contract or such other remedies set forth in that section that we deem appropriate if the prime concessionaire fails to comply with the requirements of this section.

If the concessionaire fails or refuses to comply in the time specified, our contracting office will issue an order stopping all or part of payment/work until satisfactory action has been taken. If the concessionaire still fails to comply, the contracting officer may issue a termination for default proceeding.

Sample Proposal/Bid Specification

The requirements of 49 CFR Part 23, regulations of the U.S. Department of Transportation, applies to this concession. It is the policy of the Airport to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. All firms qualifying under this solicitation are encouraged to submit bids/proposals. Award of this concession will be conditioned upon satisfying the requirements of this proposal/bid specification. These requirements apply to all concessions firms and suppliers, including those who qualify as an ACDBE. An ACDBE concession specific goal of ____ percent of (annual gross receipts; value of leases and/or purchases of goods and services) has been established for this concession. The concession firm shall make good faith efforts, as defined in Appendix A, 49 CFR Part 26 (Attachment 6), to meet the concession specific goal for ACDBE participation in the performance of this concession.

The concession firm will be required to submit the following information:

1. The names and addresses of ACDBE firms and suppliers that will participate in the concession
2. A description of the work that each ACDBE will perform.
3. The dollar amount of the participation of each ACDBE firm participating.
4. Written and signed documentation of commitment to use an ACDBE whose participation it submits to meet a contract goal.
5. Written and signed confirmation from the ACDBE that it is participating in the concession as provided in the prime concessionaire's commitment.
6. If the contract goal is not met, evidence of good faith efforts.

Section 23.53 Counting ACDBE Participation for Car Rental Goals

We will count ACDBE participation toward overall goals other than car rental as provided in 49 CFR 23.53.

Section 23.55 Counting ACDBE Participation for Concessions Other than Car Rentals

We will count ACDBE participation toward overall goals other than car rental as provided in 49 CFR 23.55.

Section 23.57 (B) Goal Shortfall Accountability

If the awards and commitments on our Uniform Report of ACDBE Participation (found in Appendix A to this Part) at the end of any fiscal year are less than the overall goal applicable to that fiscal year, we will:

1. Analyze in detail the reasons for the difference between the overall goal and our awards and commitments in that fiscal year.
2. Establish specific steps and milestones to correct the problems we have identified in our analysis to enable us to fully meet our goal for the new fiscal year.
3. We understand the FAA may impose conditions as part of its approval of our analysis and corrective actions including, but not limited to, modifications to our overall goal methodology, changes in our race-conscious/race-neutral split, or the introduction of additional race-neutral or race-conscious measures.
4. We understand we may be regarded as being in noncompliance with this part, and

therefore subject to the remedies in § 23.11 of this part and other applicable regulations, for failing to implement our ACDBE program in good faith if any of the following things occur:

- (i) We do not submit our analysis and corrective actions to FAA in a timely manner as required under paragraph (b)(3) of this section;
- (ii) FAA disapproves our analysis or corrective actions; or
- (iii) We do not fully implement:
 - a. The corrective actions to which we have committed, or
 - b. Conditions that FAA has imposed following review of our analysis and corrective actions.
 - c. If information coming to the attention of FAA demonstrates that current trends make it unlikely that we, as an airport, will achieve ACDBE awards and commitments that would be necessary to allow us to meet our overall goal at the end of the fiscal year, FAA may require us to make further good faith efforts, such as modifying our race-conscious/race-neutral split or introducing additional race-neutral or race-conscious measures for the remainder of the fiscal year.

Section 23.61 Quotas or Set-asides

We will not use quotas or set-asides as a means of obtaining ACDBE participation.

SUBPART E – OTHER PROVISIONS

Section 23.71 Existing Agreements

We will assess potential for ACDBE participation when an extension or option to renew an existing agreement is exercised, or when a material amendment is made. We will use any means authorized by Part 23 to obtain a modified amount of ACDBE participation in the renewed or amended agreement.

Section 23.73 Privately Owned or Leased Terminal Buildings – Not Applicable

Section 23.75 Long Term Exclusive Agreements

We will not enter into a long term and exclusive agreements for concessions without prior approval of the FAA Regional Civil Rights Office. We understand that a "long term" agreement is one having a term of longer than five years. We understand that an "exclusive" agreement is one in which an entire category of a particular business opportunity is limited to a single business entity. If special, local circumstances exist that make it important to enter into a long term and exclusive agreement, we will submit detailed information to the FAA Regional Civil Rights Office for review and approval.

Section 23.79 Geographic Preferences

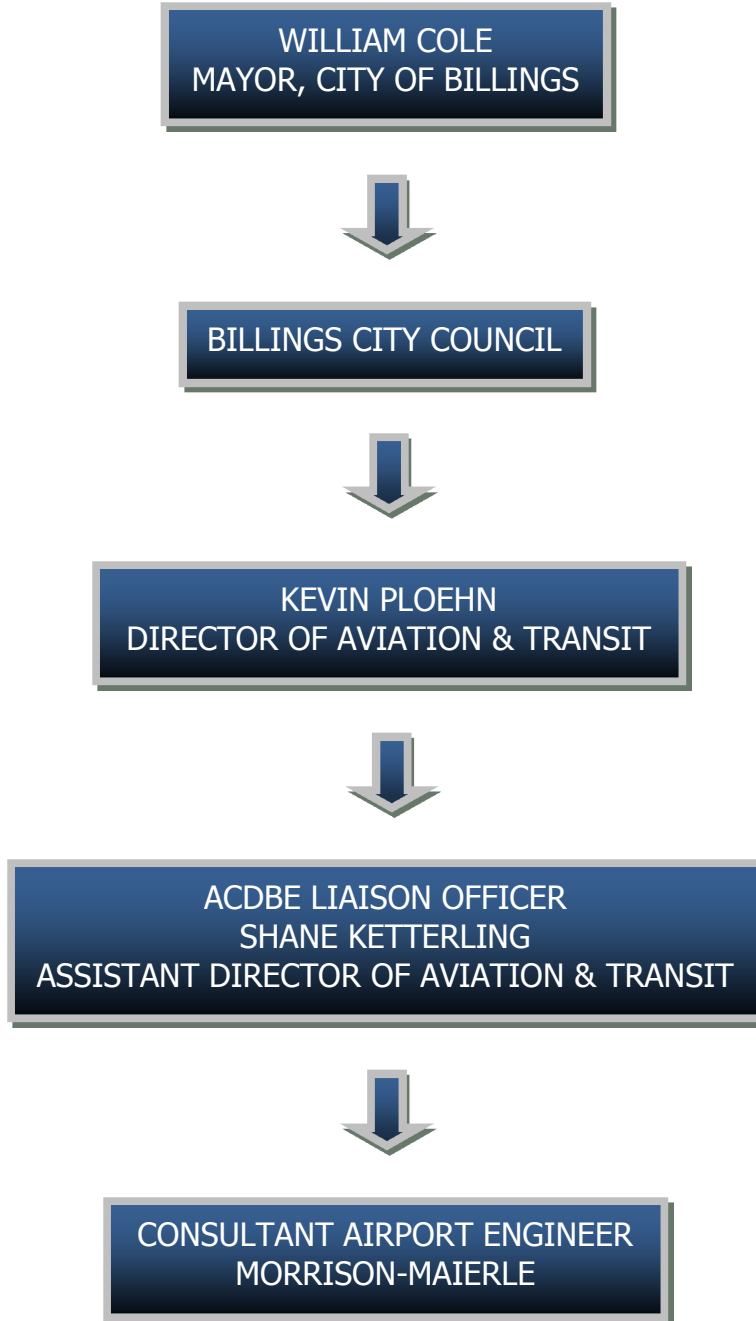

We will not use a "local geographic preference," i.e., any requirement that gives an ACDBE located in one place (e.g., City of Billings) an advantage over ACDBEs from other places in obtaining business as, or with, a concession at your airport.

STATE'S UCP AGREEMENT

UNIFIED CERTIFICATION PROGRAM (UCP)

In accordance with 49 CFR §26.81(b), the Montana Department of Transportation will assume the responsibilities as the Unified Certification Program (UCP) Lead Agency. As the UCP Lead Agency, MDT will make all certification decisions on behalf of all DOT recipients (FHWA, FTA, and FAA) in the state of Montana with respect to participation in the USDOT DBE Program.

MDT will ensure that:

- As the UCP Lead Agency, MDT will follow all certification procedures outlined in 49 CFR §26, subparts D and E;
- As the UCP Lead Agency, MDT will cooperate fully with oversight, review, and monitoring activities of USDOT and its operating administrations; and
- As the UCP Lead Agency, MDT will implement DOT directives and guidance concerning certification matters.

Certification decisions by MDT will be binding on all DOT recipients in the state and shall provide "one-stop shopping" to applicants for certification, such that an applicant is required to apply only once for a DBE certification that will be honored by all recipients in the state.

MDT will carry out all obligations with respect to certification and nondiscrimination and ensure that recipients that are party to the UCP establish the same nondiscrimination obligations in their respective DBE Programs.

All certifications by MDT shall be pre-certifications; i.e., certifications that have been made final before the due date for bids or offers on a contract on which a firm seeks to participate as a DBE.

As the UCP Lead Agency, MDT is not required to process an application for certification from a firm having its principal place of business outside the state if a firm is not certified by the UCP in the state in which it maintains its principal place of business.

As the UCP Lead Agency, MDT will maintain a unified DBE directory containing, for all firms certified by MDT, the information required by 49 CFR §26.31. The DBE directory is available at the following website: www.mdt.state.mt.us/civilrights.

In order to be a party to the UCP, each recipient must complete, sign, and forward the agreement in Attachment H to the following address:

Montana Department of Transportation DBE Program UCP
PO Box 201001
Helena, MT 59620-1001

The undersigned, a duly appointed representative of the following agency:

Billings Logan International Airport
(Agency name)

agrees to and accepts the Unified Certification Program (UCP), as outlined in the Montana Department of Transportation DBE Program, and required by 49 CFR §26.81. By this agreement

and acceptance, the above named agency will ensure that:

- This agency will never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR §26 on the basis of race, color, sex, or national origin.
- This agency will not directly or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the DBE Program with respect to individuals of a particular race, color, sex, or national origin.
- Each financial assistance agreement this agency signs with a DOT operating administration (or a primary recipient) will include the following assurance:

"The recipient shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any DOT assisted contracts or in the administration of its DBE program or the requirements of 49 CFR Part 26. The recipient will take all necessary and reasonable steps under 49 CFR Part 26 to ensure nondiscrimination in the award and administration of DOT assisted contracts.

The recipient's DBE Program, as required by 49 CFR §26 and as approved by DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation, and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the recipient of its failure to carry out its approved program, the Department may impose sanctions as approved for under Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 *et seq.*)"

- Each contract this agency signs with a contractor (and each subcontract the prime contractor signs with a subcontractor) will include the following assurance:

"The contractor, subrecipient, or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR §26 in the award and administration of DOT assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate."

- This agency will accept all DBEs certified by MDT as certified for participation in this agency's DBE Program.
